Let's talk about Recycling...

Many are unaware of the impact that recycling can have. Recycling reduces waste that goes to the landfills. Besides reducing waste, recycling also: saves energy, conserves natural resources, improves the environment & strengthens the economy. Items that are recyclable are: paper products, cans, plastics & glass. Items that Fayette County cannot accept as recyclable are: beverage and refrigerated packaging (drink holders and frozen-food packaging), plastic storage bags (you may return those to the grocery stores), and Styrofoam containers. To order your home's Rosie or learn more information about Recycling efforts in Lexington please visit the website below and click on waste management.

Let's get to Recycling Masterson Station!

Building a Fence or Shed??

Fences and sheds are regulated by our Deed of Restrictions. You must obtain a permit from the city for a fence and submit your plans to the Association for approval prior to installing your fence/ shed. For fence and/or shed guidelines you can download an application from our neighborhood website or please contact our Property Manager and one can be sent to your home.

Don't Forget!!

MSNA Spring Yard Sale is Saturday, May 21st beginning @ SAM. It's a perfect time to clear out some of the unwanted clutter!

Proper Storage for Trash Containers

REVISED

In 2010 LFUCG passed an amendment to the City Ordinance pertaining to the proper storage of Herbies. Herbies now shall be placed at the curb between 4PM on the evening before collection and shall be removed by 7PM on the day of collection. Containers will be kept either in the rear yard or in the side yard when not located on the curb. **DO NOT STORE your Herbies in the FRONT OF YOUR GARAGE.** Civil fines will be assessed for the continuous roll cart violations. MSNA will be noting violations of such improper storage of Herbies and violations will be reported to LexCall.

Setting your roll-cart or bulky items on the curb at the wrong time or improperly preparing bulky items are violations of Lexington's solid waste ordinances. Property owners who receive a violation from the Division of Waste Management must now correct the violation within 48 hours. Failure to correct a roll-cart violation within 48 hours can result in the issuance of civil penalties of up to \$100 and improper set-out of bulky items can result in civil penalties of up to \$600.

Reporting Crime Is Just a Click Away

Victims of certain types of minor– non-emergency crimes can now report them to police online. The site allows users to file reports for the following crimes: harassing communications, fraudulent use of credit card, lost or mislaid property, theft by unlawful taking, criminal mischief and theft (larceny) from an automobile of property values at less than \$500. The crime must have occurred in Fayette county and must have no suspects. If a victim thinks they know who committed the crime, the report must be filed by phone or in person. If the crime is in progress, call 911 immediately. Below you will find the link to report criminal activity:

NO POSTINGS PLEASE

As the warmer months are quickly approaching, more and more postings have been reported on lights posts, trees and stop signs poles in the neighborhood. These particular postings are in violation with the Fayette County Sign Ordinance. No such postings are permitted in any form. Examples of such postings are: Yard Sale notifications and/or directions, advertisements, or lost animal notices. If anyone wishes to notify residents of For Sale items or make residents aware of lost animals, we encourage you to take advantage of the neighborhood yahoo email group. Masterson Station has a wonderful system of email notifications that many members are already apart of. To become a member of the email group please send an email request to webmaster@mastersonstation.org or feel free to contact our Property Manager and provide your name and email address. It's as easy as that. MSNA appreciates all efforts from residents in keeping the neighborhood looking neat and tidy.
